UNFINISHED BUSINESS

By unanimous consent, action was deferred one legislative day.

Conf. Com. Rep. No. 27-12 and H.B. No. 2595, HD 2, SD 2, CD 1:

and the accompanying House bill will also be deferred until May 1st so that the two related measures may be addressed at the same time."

REPORTS OF STANDING COMMITTEES

Representative Souki, for the Committee on Transportation presented a report (Stand. Com. Rep. No. 1807-12), recommending that S.C.R. No. 140, SD 1, be referred to the Committee on Finance.

Representative Chong moved that the report of the Committee be adopted, and that S.C.R. No. 140, SD 1, be referred to the Committee on Finance, seconded by Representative Evans.

Representative Rhoads rose to speak in support of the measure, stating:

"Mr. Speaker, in support. I just wanted to say that I think that this is an important Resolution because the Environmental Impact Statement for the rail probably significantly underestimates the ridership numbers. The reason for that is it doesn't include transit-oriented development as a factor. And of course transit-oriented development is something the City is going to be adopting at all the rail stations. That will probably show, or give a much truer indication. If you included the TOD numbers of the residences that would be close to rail stations, the ridership numbers will go up significantly in all likelihood, and this Resolution will hopefully bring out that point. Thank you."

Representative Ward rose to speak in support of the measure, stating:

"Mr. Speaker, in support, but with a correction, I think it's equally plausible that many people say that they've overestimated the ridership. So I think it's yet to be known, but I think we need to study this. To say that it's a fact that it's underestimated, I think is an estimation that deserves questioning. Thank you."

The motion was put to vote by the Chair and carried, and the report of the Committee was adopted and S.C.R. No. 140, SD 1, entitled: "SENATE CONCURRENT RESOLUTION URGING THE HONOLULU AUTHORITY FOR RAPID TRANSPORTATION TO DETERMINE COST-EFFECTIVE AND REVENUE-GENERATING RIDERSHIP LEVELS FOR THE RAIL TRANSIT SYSTEM," was referred to the Committee on Finance, with Representative Oshiro being excused.

Representative Souki, for the Committee on Transportation presented a report (Stand. Com. Rep. No. 1808-12), recommending that S.C.R. No. 111, SD 1, be referred jointly to the Committee on Housing and the Committee on Water, Land, & Ocean Resources.

Representative Chong moved that the report of the Committee be adopted, and that S.C.R. No. 111, SD 1, be referred jointly to the Committee on Housing and the Committee on Water, Land, & Ocean Resources, seconded by Representative Evans.

Representative Marumoto rose to speak in support of the measure with reservations, stating:

"Thank you, Mr. Speaker. I'm going to vote on this with reservations. Generally, I am in support of transit-oriented development. I do believe we should have more density, and retail, office, commercial opportunities around rail stations. However, as you will recall, we had a bill early in the Session that outlined the Governor's ten favorite projects and we were going to put this bill into the Session Laws.

"One of the projects included a 650 foot housing tower. A 650 feet is 250 feet over the Honolulu City and County height limit. So yes, this would really increase density, but the Governor, using certain bills can skirt environmental, permitting and procurement laws affecting the building of this project. So, I think it's a good idea to increase density, but I think we should stay within the current laws regarding City and County regulations and other environmental laws. Thank you."

Representative Thielen rose to speak in support of the measure with reservations, stating:

ROUGH DRAFT

"Thank you, Mr. Speaker. I'm standing with strong reservations about this Resolution. My concern is that it ties right in with S.B. 2927 which I firmly oppose. I think that the transit-oriented development zones are very questionable when you end up ignoring the environmental and land use laws. This is just a Resolution so it doesn't have the force and effect of law, but it still is tied in with the S.B. 2927"

Representative Evans rose to a point of order, stating:

"Point of order. Well I think she's done, but she was referring to another bill, and I ask that she stay on the Resolution. Thank you."

Representative Cabanilla rose to speak in support of the measure, stating:

"I would like to express my support for this Resolution. Yes, I just would like to comment that a Resolution such as this is worthy for two reasons. First of all, it preserves affordable housing, as well as it will create new ones which is something that our State and our population much needs. And it also will help the viability of the rail project as far as ridership. Thank you, Mr. Speaker."

The motion was put to vote by the Chair and carried, and the report of the Committee was adopted and S.C.R. No. 111, SD 1, entitled: "SENATE CONCURRENT RESOLUTION URGING THE CITY AND COUNTY OF HONOLULU TO PRESERVE EXISTING AFFORDABLE HOUSING AND CREATE NEW AFFORDABLE HOUSING OPPORTUNITIES, FAMILY-ORIENTED SUPPORT SERVICES, HEALTH CENTERS, COMMUNITY CENTERS, RETAIL SERVICES RELATED TO HEALTHY LIVING, AND COMMUNITY GARDENS WITHIN TRANSIT-ORIENTED DEVELOPMENT ZONES ALONG THE HONOLULU RAIL TRANSIT PROJECT CORRIDOR," was referred jointly to the Committee on Housing and the Committee on Water, Land, & Ocean Resources, with Representative Oshiro being excused.

Representative Souki, for the Committee on Transportation presented a report (Stand. Com. Rep. No. 1809-12), recommending that S.C.R. No. 156, SD 1, be referred to the Committee on Finance.

On motion by Representative Chong, seconded by Representative Evans and carried, the report of the Committee was adopted and S.C.R. No. 156, SD 1, entitled: "SENATE CONCURRENT RESOLUTION URGING THE CREATION OF AN EXPLORATORY COMMITTEE TO CONSIDER THE ESTABLISHMENT OF AN INTERNATIONAL AVIATION TRAINING CENTER AT THE HILO INTERNATIONAL AIRPORT AND AN ADVANCED AVIATION DEGREE TRAINING PROGRAM AT THE UNIVERSITY OF HAWAII AT HILO," was referred to the Committee on Finance, with Representative Oshiro being excused.

Representative Chong moved that H.B. No. 1777, HD 1, SD 1, pass Final Reading, seconded by Representative Evans.

Representative Pine rose in support of the measure and asked that her written remarks be inserted in the Journal, and the Chair "so ordered."

Representative Pine's written remarks are as follows:

ROUGH DRAFT

"I stand in strong support of HB 1777, which authorizes State of Hawaii judges to compel companies outside of Hawaii to produce records that will aid in the prosecution of cyber criminals. For years, cyber criminals have gone unpunished because the evidence needed to prosecute them was possessed by companies on the mainland, and our judges were not provided with the jurisdiction to order these companies to produce this digital evidence. This bill is necessary to ensure that our legal system is provided with all pertinent information surrounding a case to enable them judges to make fair rulings and deliver justice to victims.

"The Honolulu Prosecutor's Office has testified that this bill is key to combating cybercrime because it would authorize it to access information from internet service providers, web-based e-mail providers, web site hosting companies, social networking providers, and cellular telephone providers. This bill makes certain that this evidence will only be requested if existing legal requirements are met by attorneys.

"Anyone can become a victim of cybercrime. Our State must be prepared to defend all of its residents from harassment and cyber crimes by having the means to retrieve evidence stored on the mainland to prosecute those who commit these crimes.

"For the above reasons, I strongly support HB 1777 which will enable our judges to gain access to digital evidence stored on mainland servers to aid in the prosecution of cybercriminals under existing legal requirements."

The motion was put to vote by the Chair and carried, and H.B. No. 1777, HD 1, SD 1, entitled: "A BILL FOR AN ACT RELATING TO PRODUCTION OF RECORDS," passed Final Reading by a vote of 50 ayes, with Representative Oshiro being excused.

At 12:24 o'clock p.m., the Chair noted that the following bills passed Final Reading:

H.B. No. 46, HD 2, SD 2
H.B. No. 1777, HD 1, SD 1
